The DS plans have shifted. Originally I heard that samples of Covid 19 had been stolen from a lab in North Carolina, intended to start a "second wave".
Now I'm hearing the focus is on "infecting" Trump supporters at Rally's. Those responsible are infiltrating

Rally's disguised as maga supporters and spreading Covid. They hope to paint President Trump as "reckless", decrease his support, instill fear in voting/ supporting in person, blame the President and his supporters personally for the "second outbreak", kill maga supporters,

and ultimately they are hoping to infect the President and keep the country locked down. Now that the "medical midget fauci" has downplayed masks, shutdowns, and the second wave, you know their goals have shifted.

Defunding the police, daily chaos, all make it easier to carry this out, it's cover for the real operation. Look over here! Not there. This is biological warfare and is being supported and directed by hostile foreign governments encouraged by DS actors.

Samples are being "moved" and could be intercepted. Makeshift "labs" are set up to disseminate the samples, some locations are known, can be confirmed.

Protect yourself and your loved ones. Carry a "pocket kit" at Rally's just in case. A couple masks, couple pairs of gloves rolled up around small bottle of sanitizer fit in a pocket. Let people Know AND LOOK FOR SUSPICIOUS BEHAVIOR. REPORT/DOCUMENT IT. Thank you 🙏🙏🙏

2/ Netflix reportedly holds the right to keep renewing these shows, irrespective of Disney's preferences. Disney may be entering Netflix's territory with Disney+, but that didn't drive the cancellations. Netflix was making a rationale decision based on quality, cost, viewership

Maryland already discussing "anal swabs" for children before they will be allowed to return to school. Claiming it is a much more accurate test for covid-19 😳

If this is allowed to occur, can you imagine what they will want next? They actually discussed if you "had to be a Doctor" to do the test or could someone be trained to do it? 😳

People ask about alternative forms of covid-19 testing

Because Roberts was/is part of the Coup against President Trump. He controlled FISA court. If the true extant of the fisa abuse is known it leads to him. He's trying to stop that.
